

How to Add a Card to Payelle, with Apple Wallet

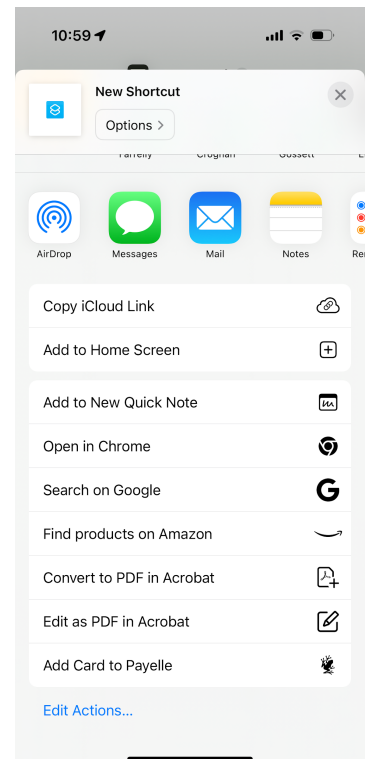

1. **Apple Wallet must already have your stored cards.**
2. **Open Shortcut**
 - Payelle will automatically open the **Shortcuts** app.
 - Tap the “**+**” button to create a new shortcut.
3. **Choose Your Card**
 - In the search actions bar, type “**Open Card**”.
 - Tap “**Pass**”
 - Select your virtual card.

4. Share With Payelle

- Tap the **Share icon** .
- Scroll down and select **“Add Card to Payelle.”**
- Tap **“Share”** to confirm.

5. Sync in Payelle

- Payelle will automatically bring you to search for the card you just shared to sync accordingly.

Tip: Repeat these steps for each card you'd like to add.
