

How to Set Up Quick Access with the iPhone Action Button

1. Open Settings

- On your iPhone, go to **Settings**.

2. Find Action Button

- Scroll down and tap **Action Button**.

3. Choose Shortcut

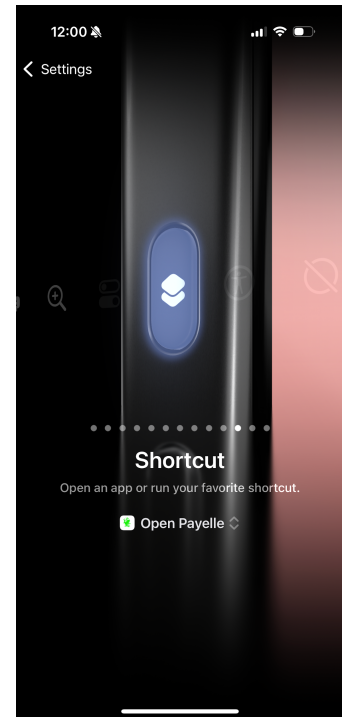

- Swipe through the options until you see **Shortcut**.
- Tap **Choose a Shortcut**.

4. Select Payelle

- From your list of apps, search and select **Payelle**.

5. Done!

- Now, when you press your iPhone's **Action Button**, Payelle will open instantly.

Tip: Press your action button. Shake. Best card will automatically be selected!
